April 10, 2017

Dear Macy's Trading Partner:

Macy's, Inc. has selected OpenText /GXS as their preferred **EDI Value Added Network (VAN) provider**. This relationship will increase the efficiency of our Supply Chain and reduce/eliminate unnecessary costs by exchanging EDI data with OpenText GXS. Our partnership with OpenText/ GXS will provide Macy's/ Bloomingdale's visibility and viability for our B2B program in the long term.

- *No action is required if* you are using a mailbox with OpenText (Inovisworks, TGMS or Easylink) *or if you are a current Drop Ship (or V2C) vendor.*

- *If* you are a *new EDI supplier* for Macy's/ Bloomingdale's or presently using a VAN other than OpenText (Inovisworks, TGMS or Easylink), we would like you to take the opportunity to review the Open Text offering.

  ✓ Click here to review information regarding this program. This OpenText Landing Page has been created specifically for this Macy's/ Bloomingdale's .
  ✓ An OpenText Representative will be in contact to further discuss the details of this initiative and answer any questions.

Thank you in advance for your partnership. We are looking forward to working together to service our customers and improve our Supply Chain operations.

Questions related to this program should be addressed to:

- OpenText Customer Support: eservices@opentext.com or +1 800-334-2255, Option 2, 5, 2
